

TEJAS

Ear, Nose and Throat, P.A.

Tejas Ear, Nose and Throat is committed to providing the citizens of Williamson and Travis Counties with the latest in proven medical and surgical care.

OSCAR A. TAMEZ, M.D.

Dr. Tamez prides himself on being both a quality surgeon and clinician. He has treated hundreds of patients, and from this experience of consistently positive results, you will likely benefit from a consultation.

He is constantly looking for ways to

improve his functional and aesthetic outcomes from surgery, while minimizing as much discomfort to the patient as possible.

Because medicine is constantly evolving, Dr. Tamez strives to provide his patients with the latest in proven medical and surgical care and to constantly stay updated on technology and techniques which show great promise.
